

Pool Maintenance Program

Maintenance programs are designed to maintain your pool's water care and help keep your pool free of debris.

It is a **one hour service** that includes:

- Vacuum & leaf net pool
- Clean waterline on pool
- Clean off pool deck
- Check auto-systems

- Backwash filter if needed & recharge
- Balance water on-site & add chemicals as needed
- Clean pump & skimmer baskets
- Pull cartridges & clean if needed

- Additional Services:
- Salt Cell Cleaning \$95
 - Heater Cleaning \$125 (gas & propane)

Weekly Maintenance Plan (16 visits) \$199/visit	Bi-Weekly Maintenance Plan (8 visits) \$249/visit	Monthly Maintenance Plan \$288/visit	On Demand Maintenance Plan \$298/visit
Total price of all 16 visits to be billed half prior to first maintenance and half on 7/1/2025 Includes routine chlorine shock, chlorine tabs, and balancing chemicals. *	Total price of all 8 visits to be billed half prior to first maintenance and half on 7/1/2025 Includes routine chlorine shock, chlorine tabs, and balancing chemicals. *	Includes routine chlorine shock, chlorine tabs, and balancing chemicals. *	Includes routine chlorine shock, chlorine tabs, and balancing chemicals. *

1. Weekly and Bi-weekly maintenance programs run for 16 weeks. Any maintenance after the 16 weeks will be billed separately at bi-weekly pricing.
2. Call for pricing on pools larger than 30,000 gallons or 20'x40'.
3. **Pricing based on one hour service.** Additional time to be billed at \$32 per 15 minutes plus cost of additional chemicals and materials.
4. **If additional labor or chemicals are necessary to achieve a clear pool before beginning a program of regular maintenance, labor, and chemicals needed will be billed on a time plus material basis and scheduled as a service call. Regina Pools & Spas cannot guarantee a clear pool in an hour-long service. To clear a pool after an algae bloom, it is recommended that the client brush and add any other needed chlorine or algacide when Regina Pools & Spas is not there. Clearing a green pool will take time.**

* Salt and start-up chemicals will be billed separately. (See #3 in Customer Responsibilities)

Optimizer is available at client request. A great option for maintaining algae-free water all season long! Ask for details.

BEFORE OUR TECHNICIANS ARRIVE:

Customer Responsibilities & General Conditions for Pool Maintenances

1. There will be no work performed unless payment is received at time of scheduling the maintenance service with signed contract.
2. **Pool water must be brought to mid skimmer prior to every maintenance service. If not, there will be a \$90.00 charge to return at another time dependent on schedule.**
3. **Customers need to bring in a water sample 3 days after opening pool (72 hours of circulation) . Chemicals needed for initial balance (start-up chemicals) will be billed separately.**
4. Every effort will be made to complete work contracted on date requested, but is not guaranteed.
5. Additional repairs that are needed will be billed separately at \$32 per 15 minutes plus cost of material if time permits. Extensive repairs may have to be scheduled as a service call at a later date.
6. **Power must be turned on to equipment and water source (hose bib & hose) available.**
7. Do not put solar cover or automatic cleaner in pool until the next day. Shock treatment can damage these items.
8. Regina carries all insurances required by law. Regina is not responsible or liable for present or future conditions of owner's pool and/or pool equipment.
